I. ASSUMPTIONS**II. GUIDELINES****III. APPLICATIONS****I. ASSUMPTIONS**

1. As a beneficiary of the will of the late George R. Wright, The American Baptist Churches of Massachusetts receives a share of income from a fund held in trust by a commercial banking institution. This income, named by The American Baptist Churches of Massachusetts, as the “George Wright Fund” provides grants to be used to reduce the principal amounts of mortgages on church building, in all cases to be paid directly to the lender.
2. Grants from the George Wright Fund are approved by the George Wright Fund Committee of the Relationship Ministries Team of The American Baptist Churches of Massachusetts.
3. Through the Relationship Ministries Team, the Massachusetts American Baptist family attempts to exercise responsible and careful stewardship of these limited resources. This responsibility is based primarily on the Biblical concept of responsibility for Christ’s Church. Laws governing fiduciary accountability provide a legal basis for this responsibility.
4. Some churches related to The American Baptist Churches of Massachusetts have occasion to need financial assistance in the form of grants and may be expected to seek such assistance from The American Baptist Churches of Massachusetts. A significant element of historic Baptist polity, “the associational principal,” more lately known as “partnership in ministry and mission,” requires mutual support.
5. George Wright Funds are understood to be supplemental to the usual tithes and offerings and/or other income of a local church. These funds are meant to provide occasional assistance but not to become part of the continuing financial maintenance of recipient churches.
6. The primary focus of the mission and ministry of The American Baptist Churches of Massachusetts is through local, affiliated congregations. The purpose of these policies is to facilitate mutual support and care for the member churches.

II. GUIDELINES**A. Application & Substantiating Data**

1. Churches requesting assistance from the George Wright Fund must make application in writing, using the application form provided by the George Wright Fund Committee. These forms may be obtained by calling the TABCOM office (978-448-1445) or are available for download as a PDF file at www.tabcom.org. Area Ministers also have copies of the application forms.

Only churches giving a total of at least one percent (1%) of their current operating budget to United Mission Basics, the Massachusetts Ministry Fund or the America for Christ offering will be considered.

2. The Relationship Ministries Team of The American Baptist Churches of Massachusetts wants to

affirm churches which apply for and receive support. In order to do so, churches requesting assistance should give evidence of their viable ministry(ies).

 - Other information may be requested by the Committee

4. Churches requesting assistance from The George Wright Fund must be in "good standing" with The American Baptist Churches of Massachusetts and their Association. Criteria to determine "good standing" may include, but are not limited to, such matters as:
 - Participation in TABCOM and Association meetings and events

Any requests for exceptions will be subject to review by the George Wright Fund Committee.

- B. The George Wright Fund Committee may also consider initiating contact with churches that the committee thinks might meet the application criteria.
